Entering first-year students at Eastern Oregon University must complete the following subjects by high school graduation:

English (4 units)

Shall include the study of the English language, literature, speaking and listening, and writing, with an emphasis on, and frequent practice in, writing expository prose all four years.

Math (3 units)

Shall include first-year algebra and two additional years of college preparatory mathematics selected from geometry (deductive or descriptive), advanced topics in algebra, analytical geometry, finite mathematics, advanced applications, calculus, probability and statistics, or courses that integrate topics from two or more of these areas. (One unit is highly recommended in the senior year. Algebra and geometry taken prior to the ninth grade will be accepted.)

Science (3 units)

Shall include a year each in two fields of college preparatory science such as biology, chemistry, physics, or earth and physical science, one recommended as a laboratory science.

Social Studies (3 units)

Shall include one year of U.S. history, one year of global studies (world history, geography, etc.), and one year of social studies elective (government is strongly recommended).

Second Language (2 units)

Two years of the same high school-level second language, or a C- or above in the third year of a high school second language, or two terms of a college-level language with a grade of C- or above, or satisfactory performance on an approved assessment of second language knowledge and/or proficiency. Demonstrated proficiency in American Sign Language (ASL) is acceptable in meeting the second language requirement.

Upon graduation from high school all students who achieve these standards are promised an Eastern Oregon University Scholarship of \$500 per term.

I understand to receive the EOU Promise I must meet the above conditions.
